Editor's Message

Our next meeting is Wednesday, **DECEMBER 2ND, 2015 AT **7 P.M.** (DOORS OPEN 6 P.M.)** Come out to see our accomplished international numismatic expert **Scott Douglas** give an illustrated talk on "**Christmas Coins and Medals.**" These images are courtesy of the Canadian Geological Foundation. Close friends of **Jerome (Jerry) H. Remick** will know of his tradition of striking personal medals, many of them Christmas medals, in three metals. This is the 2001 antique silver, which has an angel holding the dove of peace on the obverse side, and as always, Jerry's trademark symbols on the reverse with the inscription "Jérôme H. Remick, Numismate et Géologue." The quartz crystals symbolized the geological side of Jerry's life, the penny his numismatic passion, and the beaver his adopted home (Jerry was born in Detroit, Michigan in 1928).

Receiving the GAC Distinguished Service Award in Ottawa, 1997.

2001 Christmas Medal, 3.8-cm diameter, antique silver.

4 Wing Coin club

Did You Know that a Canadian numismatist formed a coin club in Europe that became well respected in and around Germany?

Victor Gadoury was an aircraft metals technician when he formed the 4 Wing Coin Club in Baden - Baden, Germany about 1964. Victor was stationed at the Canadian Air Force Base in Europe when he conceived the notion of a coin club for his fellow airmen. The club immediately had a membership of 25.

In November 1965 the 4 Wing Coin Club held their second coin show drawing fellow club members and many visitors from surrounding parts of Germany. For this second show Gadoury wanted to have a token made. He couldn't find anyone to help with this task and so Gadoury decided to try to make a token himself. With no prior engraving skill he tracked down a small press and borrowed some very small dentist drills from the dentist associated with the 4 Wing unit. The pieces needed to be small as the press could only produce enough pressure to make a 17mm sized aluminum token. Gadoury made 3,000 pieces with his own money and handed them out at the November 1965 coin show. The tokens were so well received that Gadoury made a second issue for the club's third coin show held in March 1966.

Actual size 17mm

3000 of these tokens were made for the second 4 Wing coin show.
Another issue was made changing the reverse lettering from
COIN/1965/CLUB to RCAF under a Maple Leaf.

Victor Gadoury was discharged from the Canadian army in 1972 and immediately formed the numismatic publishing house Editions Gadoury. In 1978 Gadoury moved his publishing house to Monaco. Editions Gadoury was acquired in 1994 by two Italian numismatists one of whom continues to run the firm today.

The first 4 members mentioning this article to me at the December SWCS coin club meeting will receive a 4 Wing token.

Club Report & News reported by Mike Hollingshead**Here's SWCS November 4th, 2015 Draws and Accolades:**

Monthly Members Attendance Draw: Now let me see, what shall I do? Go to a coin meeting and maybe win the *Members Attendance Draw* or stay home and watch the *Toronto Maple Leafs* get clobbered yet again??? **Ryan Zmija**, you should have come out to the SWCS meeting!! We picked your name (again) and there you were — or more correctly, there you wasn't. December's draw will swell to \$10, a tidy little Holiday gift.

The King Arthur's Treasure: The start of a lucky night for **Dwayne Spears** was winning the 145 item equivalency King Arthur's Treasure. Way to go **Dwayne**! A most deserving win as **Dwayne** has been donating our coffee for the meetings for a number of years now; and ALSO is first on the scene at our Guelph coin show beginning at 5 a.m.

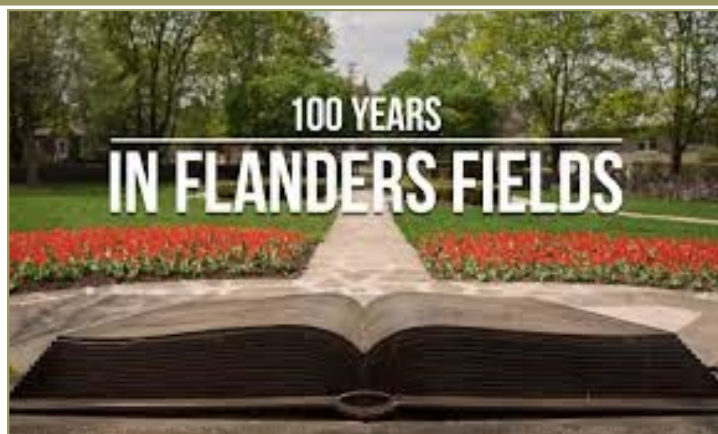

The King Arthur's Treasure was augmented by a donation from **Charles Turton** of an RCM coin folder celebrating (and including) the McCrae 25-cent colourized and non-colourized quarters and the Toonie.

Thank you **Charles**, and congratulations **Dwayne**, and thank you to all the participants in the KAT! Don't forget to bring your five foreign coins / tokens / woods / surplus numismatic material for a KAT.

Daytona Draw: Lightning struck twice as I alluded to and the second Daytona Draw in SWCS history was won by **Dwayne Spears**. **Dwayne** selected envelope #3 from the four envelopes **Scott Douglas** offered and it went up for auction starting at \$10 and quickly rose to a final bid by **Ray Zoethout** of \$26. **Dwayne** was then offered the chance to taking the envelope as picked or the auction proceeds of the envelope. He chose "a bird in the hand" option and the money went from **Ray** to **Dwayne**. The prize was a high-quality Whitman binder of early Canadian nickels in choice grades! So two attendees went home happy! Thank you to our draw participants and winners. Remember to come out in December prepared to win!

Speakers / Presentations:

A number of members spoke of the McCrae coins that are now being sold by the *Royal Canadian Mint*. New member **Jim Bracegirdle** shows his RCM set (that was available on a one per household) containing four of the 25 cent coins colourized and not and the same features on the toonies. These were sold for face value, no shipping or taxes. Hard to lose on that RCM venture. **John Semedo** attended the unveiling event at McCrae house (108 Water Street, Guelph, built 1858).

NOVEMBER'S EDUCATIONAL PRESENTATION: November's presentation was by Mike Hollingshead on "An Overview to Collecting the Currency of Cuba." The talk was broken down into areas:

- The Spanish Colonial Era;
- The USA Colonial Era;
- The Fundraising Bonos of the Revolutionary Movements;
- The Transitional Banknotes signed by Che Guevara;
- Bonos de Estimulos—Bonuses paid to workers above and beyond the Call of Duty;
- Replacement Notes of All Eras;
- Specimen Notes of All Eras;
- Banco Nacional of Cuba;
- Banco Central of Cuba; and finally,
- The Tale of Two Pesos: National Money versus Convertible Peso.

Club Report & News *continued* reported by Mike Hollingshead

The bonds of Fidel Castro's 26th of July movement, issued and sold abroad

The talk was illustrated with a large quantity of banknotes from all areas of discussion. The talk then spread to the current economic situation in Cuba, the cost of goods and services, wages, taxation, food and beverages, transportation, etc. Looking for a good five cent cigar? They still exist in Cuba. I buy a bundle of 25 locally produced cigars for \$1 in my neighbourhood bodega! And that 2 litre bottle of rum costs \$4.

DECEMBER'S EDUCATIONAL PRESENTATION: Award-winning writer **Scott Douglas** will usher in the Holiday Season with an illustrated talk on "Christmas Themed Numismatics."

This is a Congo Christmas 20 Francs Proof .9999 Gold 1/25 oz, 13.92mm coin, with a mintage of 25,000.

Monthly Auction:

The commission charged to consignors: Sold for under \$20, auction fee is 25 cents and items sold for over \$20 fee is \$1. Pretty simple. No buyers premium, no sales tax. Bring your items to consign to the meeting or contact **Lowell Wierstra** at ljwierstra@rogers.com or call 519-824-6534! Please use the new consignment form.

There are no auctions or meetings in Jan.-Feb. as our club chooses not to meet in the poor winter months and meet in the summer instead.

We have issued 4 months of future auction sheets. Keep the wonderful items coming!

May you'll consign coins from one of the 20 smallest countries in the world such as Kiribati or Mayotte.

These are the First Official Coins of the New Millennium (by virtue of its position near the International Date Line in the Pacific) with a shiny mirror finish. The set contains: \$5 Cupro-Nickel, \$10 Trimmillium in a pinkish hue, and \$20 Sterling Silver. Mintage commenced at precisely 12:00:01 a.m. on January 1st, 2000 and the limited edition was to 18,000 of these 3-coin sets. Located in the Pacific Ocean, Kiribati has an impressive population of over 100,000 people. Kiribati is known for their many WW2 Relics along with world class fishing and cultural experiences. The weather is naturally hot year-round.

This Island name “Mayotte” isn’t even registered in the word processor dictionary — it is so unknown. In 1843 France gained control of the Island. It remains under French rule to this day. Mayotte is known to be an expensive place to stay, but if money isn’t your concern, you can have an amazing trip snorkeling, sailing, diving and relaxing on white sand beaches. It’s best to visit between June and November. This is Mayotte 10 Euro from the 2011-2012 Series “Regions of France”. The mintmark is Cornucopia (Paris, Pessac, France).

This is the 2004 Mayotte .9167 Gold (AGW .2514 troy oz) 20 Euro Lemurs Proof 27.2mm coin. Mintage was ONLY 300! The coat of arms of this French overseas territory (located between Africa and Madagascar) is on the obverse. Two Brown Lemurs appear on the reverse of this low mintage Gold Proof.

A farmer had some puppies he needed to sell. He painted a sign advertising the 4 pups and set about nailing it to a post on the edge of his yard. As the farmer was driving the last nail into the post, he felt a tug on his overalls. He looked down into the eyes of a little boy. "Mister," he said, "I want to buy one of your puppies." "Well," said the farmer, as he "rubbed the sweat off the back of his neck, "These puppies come from fine parents and cost a good deal of money." The boy dropped his head for a moment. Then reaching deep into his pocket, he pulled out a handful of change and held it up to the farmer. "I've got thirty-nine cents. Is that enough to take a look?" "Sure," said the farmer. And with that he let out a whistle. "Here, Dolly!" he called.

Out from the doghouse and down the ramp ran Dolly followed by four little balls of fur. The little boy pressed his face against the chain link fence. His eyes danced with delight. As the dogs made their way to the fence, the little boy noticed something else stirring inside the doghouse. Slowly another little ball appeared, this one noticeably smaller.

Down the ramp it slid. Then in a somewhat awkward manner, the little pup began hobbling toward the others, doing its best to catch up... "I want that one," the little boy said, pointing to the runt. The farmer knelt down at the boy's side and said, "Son, you don't want that puppy. He will never be able to run and play with you like these other dogs would." With that, the little boy stepped back from the fence, reached down, and began rolling up one leg of his trousers. In doing so, he revealed a steel brace running down both sides of his leg attaching itself to a specially made shoe.

Looking back up at the farmer, he said, "You see sir, I don't run too well myself, and he will need someone who understands." With tears in his eyes, the farmer reached down and picked up the little pup. Holding it carefully, he handed it to the little boy. "How much?" asked the little boy.... "No charge," answered the farmer, "There's no charge for love."

The world is full of people who need someone who understands.
